About Sharda Online

Since its establishment in 1996, the Sharda Group of Institutions has been a beacon of world-class education. Continuing its glorious legacy, Sharda University envisioned a way to contribute to the ever-evolving education realm by establishing Sharda Online, its e-learning arm, offering UGC Entitled online degree programs to learners worldwide. It believes in preparing students to approach business obstacles and solve them like established corporations. Online learning happens both inside and outside the virtual classroom. Therefore, technology significantly influences the core culture, alongside global exposure, project management, critical reasoning, and business communication skills.

We are committed to empowering our students and faculty to achieve success on a global scale. Join us as we embark on a journey towards excellence and limitless opportunities. With exceptional faculty, rigorous teaching standards, and innovative academic programs, we aim to redefine the benchmarks of the Indian education system.
